Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Sunday 28 Mar 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cloudy and windy.

Today:
A cloudy start with occasional outbreaks of rain, especially over higher ground. Largely dry for all during the afternoon with a few sunny spells developing in the far southwest. A windy day. Maximum temperature 13 deg C (55 deg F).

Tonight:
During the evening and overnight clear spells develop across the region with winds gradually easing. Remaining dry across the region. Minimum temperature 6 deg C (43 deg F).

Monday:
A dry day with sunny spells throughout the morning. Plenty of lengthy sunny spells by afternoon and becoming warm. Light winds. Maximum temperature 17 deg C (63 deg F).

Outlook for Tuesday to Thursday:
Dry and warm on Tuesday with plenty of sunshine. Sunny spells on Wednesday but turning cloudier later with the odd spot of rain. Becoming colder on Thursday with sunny spells.
